

Dear Friends

2020 will be a year that we will never forget. The world around us, our daily lives, our communities, and families were all impacted by COVID-19. AugustHeart was no different. Like many, we were sidelined in a year of anticipated growth for the organization. However, this time gave us an opportunity to realign with our mission, reflect on our accomplishments, and develop a plan to get back on track serving the teens of San Antonio.

We are deeply grateful for your continued and invaluable support which advances our mission to identify teens with potentially life-threatening heart conditions. Please join us in celebrating the amazing work AugustHeart has accomplished over the past 10 years in memory of August Koontz!

SAVING LIVES ONE HEART AT A TIME

(210) 841-9207  AugustHeart.org

OUR MISSION

The mission of AugustHeart is to provide free heart screenings to teenagers to identify selected heart abnormalities in an effort to reduce the risk of sudden cardiac death.

AUGUST — — HEART

WE'RE STILL BEATING

10 YEARS ♥ 47,000 TEENS SCREENED

COUNTLESS LIVES SAVED

2011

FIRST
SCREENING

276

TEENS SCREENED

Collaborated with all 5 healthcare systems in San Antonio to conduct heart screenings on hospital campuses using their equipment and staff.

Baptist - Christus-
Methodist - University-
UTMSA

2014

Partnered with Sports Medicine Associates of San Antonio. Heart screenings provided with sports physicals on school campuses.

Revised medical protocols increasing the accuracy of AugustHeart's screenings to 99%.

2016

Mortara donated 30
refurbished
ECG machines

More teens screened at one time

More cost efficient

2017

REACHED

30,000

TEENS SCREENED

2018

HB 76 PASSED

giving parents the option for ECG testing on the UIL physical form

= AWARENESS

2019

Received grants to purchase 28 new ECG machines allowing AugustHeart to go 100% digital and wireless giving cardiologist the ability to access and interpret ECGs anywhere.
